

BOB'S GRENADINE

2 large pomegranates
1 cup sugar
2 tablespoon pomegranate molasses
½ teaspoon orange or rose blossom water
1 tablespoon vodka (optional)

Cut the pomegranates in eighths and juice using a lime/orange press. (This should yield about 1 cup of juice. Adjust the recipe for the actual amount of juice you get.)

Pour the juice into a glass bowl, and microwave at full power for 1 to 2 minutes or until warm.

Add the sugar and stir until it dissolves completely.

Add pomegranate molasses and orange or rose blossom water and stir to combine.

Allow to cool then bottle. Add one tablespoon of vodka as a preservative if you wish.
